EXPERIENCE

Animator | SCA Transportation Forensics

Jan 2021 - Current

- Created CAD drawings based on diagrams drawn in police crash reports in a simple, easy-to-understand way in order to present gathered data and evidence
- Reconstructed car crashes in 3D using scaled car models and environment models based on drone images and state and federal standard highway design guidelines and measurements
- Rendered animations showing movement of vehicles in scenes matching lighting conditions during crashes

Marketing Assistant | RCC & Associates

Feb 2020 - May 2020

- Re-branded company design to modernize look and style, keeping consistent with company values
- Designed ads reaching across various platforms including print, digital & social media
- Conducted market research and analyses to determine response rates to campaigns

Art Director, 3D Modeler, Animator | GSU

Jan 2020 - Jul 2020

- Won Best in Georgia for Global Game Jam 2020
- Won Best Game for Global Game Jam 2020 at Georgia State University
- Optimized time, resources and talent to create a 3D musical game using Unity within 48 hours
- Directed a crew of artists to develop and maintain a consistent overall game look
- Animated subtle, polished title and new level sequences using After Effects

Animator, Illustrator | Film Tribe

Nov 2017 - Jan 2018

- Animated bumpers for the presentation of the 2017 American Advertising Awards where characters on-screen interacted with the host and audience at the Fox Theatre
- Illustrated characters and backgrounds consistent with character sheets
